

CURRICULUM VITAE

Papuna Petriashvili**Summary of qualification**

Mr. Papuna Petriashvili has more than 20 years of experience in Public Finance Management. From 2001–2014, he went through a career path from the initial position of the Ministry of Finance up to the position of First Deputy Minister of Finance. Later, he was vice-mayor of Tbilisi City Hall. He held high-ranking positions in both central and local government and was always directly supervising Public Financial Management issues as his major task. Papuna Petriashvili was actively involved in the development of various primary and secondary legislation regulating public finances in Georgia, including the first Budget Code of Georgia, Budget Classification of Georgia, Program Budget Methodology, and others.

Since 2015, Papuna Petriashvili has been actively participating in international donor-funded public finance reform projects in Georgia as a project manager, key expert, and/or adviser in the field of public finance.

In 2017, Papuna Petriashvili founded Consulting Company CBI (www.cbi.ge). The company's activities are mainly related to the improvement of Public Financial Management systems. Consulting Company CBI up to date, actively cooperates with international financial institutions.

Since 2018, Papuna Petriashvili, as a consultant of the World Bank and an expert of the international advisory company Reformatics (www.reformatics.com), has participated in the assessment of the PFM systems of different countries and the preparation of reform strategies.
